

Great Governing Boards and How to Get There!

The Western Slope Region of Rural Philanthropy Days is offering its first seasonal training workshop to help strengthen nonprofit organizations. Nonprofit Consultant Noelle Hagan will present: Great Governing Boards and How to Get There. The Governance workshop is the first in a series of twelve hands-on trainings that will lead up to the 2013 Rural Philanthropy Days event. The cost for each training is \$25 per person.

Each of the 12 workshops will reinforce the Principles and Practices for Nonprofit Excellence. Ultimately, those who attend the educational series will be well prepared for the 2013 funding event and most likely improve their likelihood for a funding match.

Each session will grow on the previous material and overview sessions will be offered. Participants are encouraged to attend as many workshops as possible to help ensure their group's success.

The training schedule is as follows:

Grand Junction: Wednesday, August 4 • 9 am to Noon
Goodwill Industries at 630 24 1/2 Road

Hotchkiss: Wednesday, August 4 • 2 pm to 5 pm
Hotchkiss Fire House at 193 West Hotchkiss Avenue
